

**Template # 4800-1**

All measurements are based on the EXTERIOR face of the door.

**Hole Sizes:**

- A: 2-1/8"
- B: 1/2"
- C: 1/2"
- D: 1/2"

**For HG Models:**

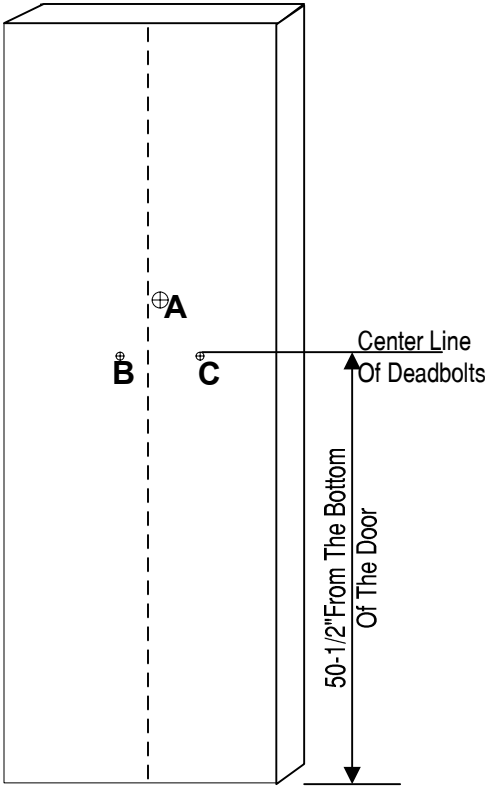

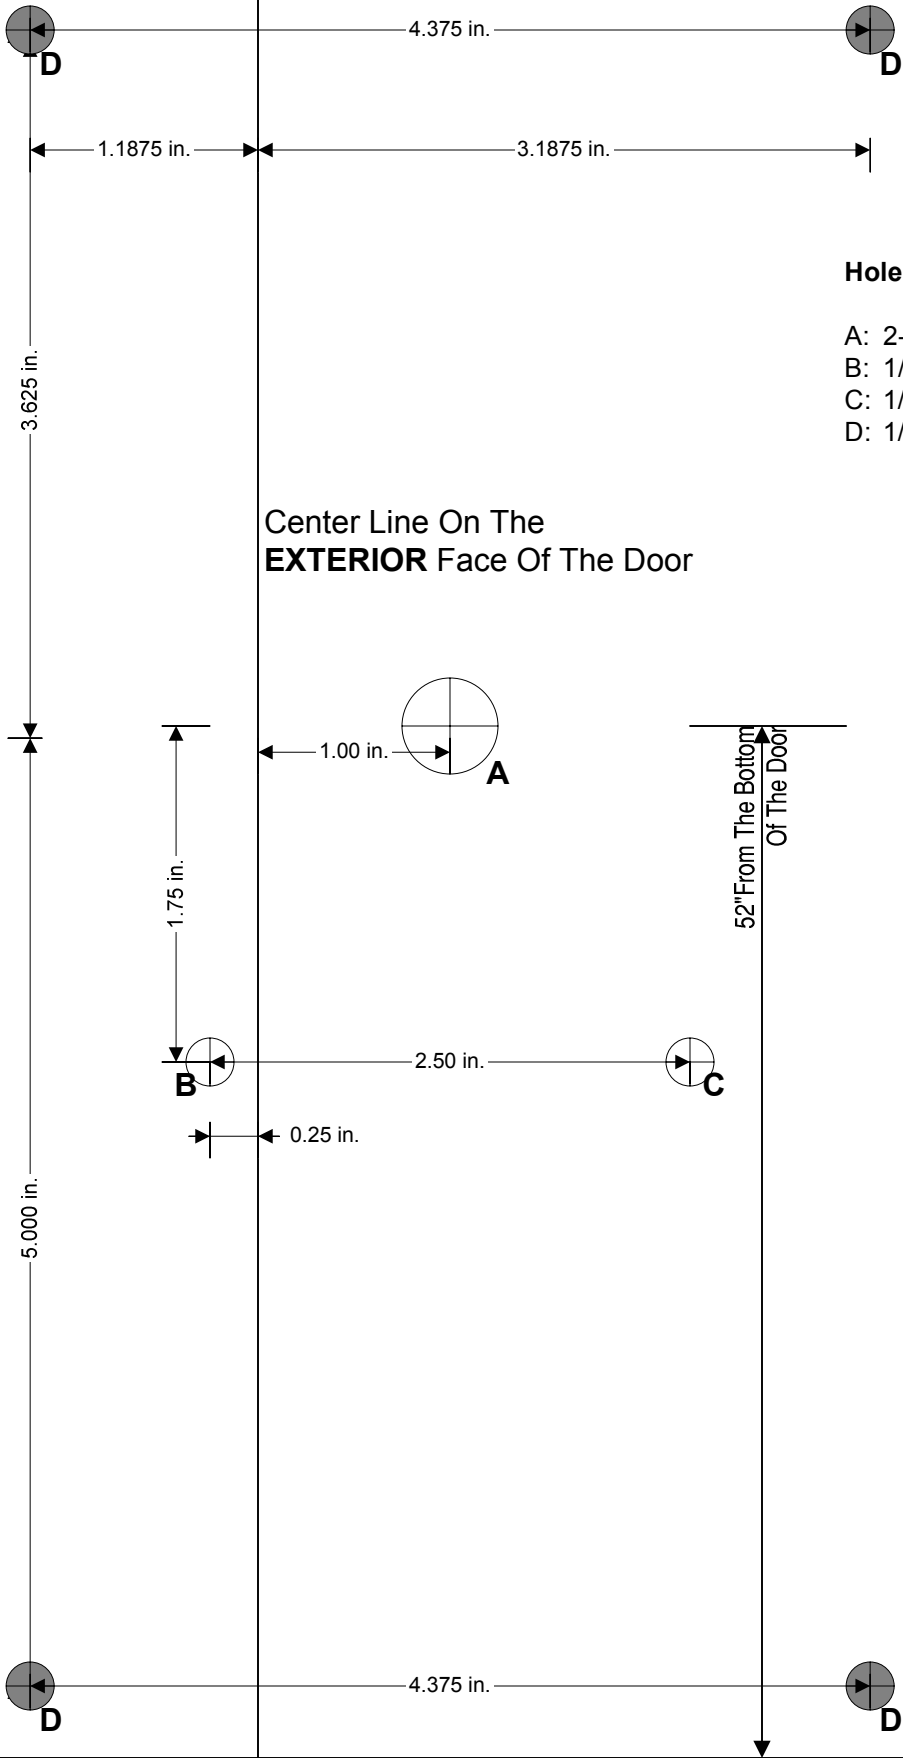

Drill holes "A,B&C" thru the door.  
DO NOT DRILL "D" HOLES.

**For SG Models:**

Drill hole "A" through the door.  
Drill holes "B" & "C" on the INTERIOR Only.  
Drill holes "D" through the door.

Interior lock will be centered horizontally on the door. The exterior guard plate will be one inch off-center.

Adjust for bevel.
